Enter any word(s), letter(s), punctuation, and/or number(s) that appear in your mark here:

NOTE: Do NOT enter any word(s), letter(s), punctuation, and/or number(s) that do not appear in the attached image file. Leave this space blank if your mark consists only of design elements. The image file **must** include all elements of the mark; i.e., if your mark consists of a design and word(s), letter(s), punctuation, and/or number(s), the image file must include all of these elements. Any entry in the [literal element](#) field that is not found in the attached image file will **not** be considered part of the mark.

* If claiming color as a feature of the mark, list the colors below, including black, gray, and/or white if actual "colors" within the mark (e.g., enter red, white, and blue). Begin the entry with a lower-case, **NOT** an upper-case, letter. (Entry required for color marks only.)

The color(s) is/are claimed as a feature of the mark.

If other than a mark in standard characters and you are NOT claiming color as a feature of the mark, you must: (1) check this box; and (2) remove all data that may appear in the color(s) claimed field, above, even if a statement therein is factually correct; under this scenario, the field must be completely blank. **NOTE: Check the box *only* if you believe your image is black and white, yet you received after clicking the "CONTINUE" button an ERROR about color within the mark (perhaps because the image consists of too much grayscale); otherwise, do not check this box, because the attached image was automatically accepted as black and white.**

Enter a complete and accurate [description](#) of the entire mark below, being sure to include ALL [literal elements](#) and/or design elements that are found in the attached mark image, but **NOT** including any element not appearing in the image. If a color mark, you must specify the color(s) that are part of the mark, including black, gray, and white, and also state the location thereof in the mark image (reference any wording in mark and/or design element(s)), and if a color mark, also include the nature and location of the color; i.e., you should specifically state where each color is located within the mark.

The mark consists of: (do NOT repeat this language)

. (end period is automatic)

NOTE: A description of the mark is required for **ALL** marks that are in a special form (i.e., for *any* mark not in standard characters). You must enter a description even if what the mark represents is immediately clear, e.g., "the letter C." The description must be for the complete mark, and not simply of any design element; i.e., if the mark includes a literal element, that must be referenced here, even if already separately stated in the "literal element" field, *above*. Also, for any color mark, the description of the mark **must** include the nature and location of the color; i.e., you must specifically state where each color is located within the mark, e.g., "a bird with a red body, blue wings, and yellow beak."

NOTE: Do **NOT** include as part of the description either the words "The mark consists of" or a final period, because that introductory wording and the punctuation will automatically be added after validation; otherwise, the overall description will have improper repetitions. Also, begin the entry with a lower-case, **NOT** an upper-case, letter.
